

## CA EUROPE sarl (“CA”)

### MSP LICENSE TERMS (“Terms”)

These Terms are applicable to Service Providers who purchase CA Software obtained from a CA affiliate for the purpose of providing a managed service offerings to its end user customers (as defined below). By using the CA Software, the Service Provider (“You”) confirms that it has read and agrees these Terms. Unless otherwise stated, these Terms supersede any other license agreement of the CA Software including any license embedded in the CA Software which shall not apply to You.

You understand and agree that Your right to use CA software programs ordered by You (and any fixes, patches, updates, upgrades, or other software provided to You as part of Maintenance) (“CA Software”) and to obtain maintenance and support (“Maintenance”) is subject to Your compliance with these Terms and the License SPD defined below.

- 1. License Grant.** Subject to Your compliance with the Terms and the License SPD, CA grants to You a limited, non-exclusive, non-transferable, non-sub licensable right to use the CA Software (and any fixes, patches, updates, upgrades, or other software received by You as part of Maintenance) in object form and solely for Your internal business purposes of providing a managed service offering to Your customers. Such use shall extend to use by You and Your employees, contractors or agents that accesses the CA Software on Your behalf (but excluding any further use by other outsourcers, facilities management providers or application service providers). Use of the CA Software by such shall at all times remain Your responsibility and liability. The type of license available to You is either (i) a subscription license i.e. a license to use the CA Software for a specific length of time so that when the license expires, You must stop all use of the CA Software if You have not obtained a new license; or (ii) a perpetual license where your right to use the license is perpetual and can only be terminated as stated in the License SPD. The licensing model for each CA Software program is set forth in the applicable Specific Program Documentation (“License SPD”) located at <http://www.ca.com/licenseagreement> for that CA Software or if there is no applicable License SPD for that CA Software, then set forth in the relevant document issued by CA. The terms and conditions of the License SPD is incorporated by reference herein. By way of illustration only, CA Software could be licensed by CA on a “per server” Licensing Model, where one copy of the CA Software is installed in a single server operating environment for a given license fee. This clause 1 overrides the license grant provision in the License SPD.
- 2. Documentation.** For purposes of these Terms, “Documentation” means only standard specifications, user documentation, and technical manuals and guides provided with the CA Software. You may make a reasonable number of copies of and internally distribute Documentation solely for Your internal business purposes however You may not modify such Documentation without the prior written approval of CA. Any copies or partial copies You make must bear CA’s copyright and any other attribution notices contained in the materials copied. Such Documentation is deemed to be confidential and proprietary to CA.
- 3. In the event** of any conflict between these Terms and the License SPD, these Terms shall control.
