

Specific Program Document (“License SPD”)

CA Europe s.a.r.l. (“CA”) licenses to You the CA software program(s), and any fixes, patches, updates, upgrades, or other software provided to You as part of Maintenance) (“CA Software”) listed below under the following terms and conditions. By using the CA Software, You confirm that You have read and agreed to these terms.

Program Name: CA Enterprise Log Manager

Specified Operating Environment

The CA Software's specifications and specified operating environment information may be found in Documentation accompanying the CA Software, if available (e.g., a user manual, user guide, or readme.txt or notice.txt file).

Licensing Model

- A. CA Software means the CA Enterprise Log Manager software described herein in object code form and as set forth in the Order Form.
- B. “Agent” means a single installation of the agent software on a specific operating system instance which can be identified as a unique host identification on a hardware server. A hardware server may have multiple operating system instances installed on it (through partitioning or virtualization). Each instance of the operating system on a partitioned/virtualized server must license an agent if required for job scheduling purposes.
- C. “Node” means, in a communications system, a network junction or connection point. Any system or device connected to a network is also called a node or cluster.
- D. “Server” means a single physical or virtual computer which processes data using one or more central processing units, and which is owned, leased or otherwise controlled by Customer. A Server typically manages access to a centralized resource or service in a network and may be used to provide services (such as access to files or shared peripherals or the routing of e-mail) to other computers in the network.

The CA Software is licensed by the number of Servers, Nodes and Agents set forth in the Order Form (the “Authorized Use Limitation”).

Licensing terms

License Grant. The license granted to You is a limited, non-exclusive, non-transferable and territory wide license. “Territory” is specified in the Order Form, in the section entitled “Territory”. Your use of the license shall extend to use by You and Your Authorized End Users. “Authorized End Users” means You and Your Affiliate’s employees and independent contractors (but excluding any outsourcer, facilities management providers or application service provider). Use of the CA Software by Authorized End Users shall at all times remain Your responsibility and liability. You may use the CA Software for the operation of You Affiliate’s internal data processing where an “Affiliate” shall mean any entity for which You holds greater than a fifty percent (50%) interest by force of law or contract, but only for so long as You maintains that interest. The type of license You receive is designated in the Order Form for the CA Software and may include:

Perpetual License: A perpetual license to use the CA Software.

Subscription License: A license to use the CA Software for a specific length of time (the “Term”) as set forth in the applicable Order Form. When the license expires at the end of the Term, You, all Affiliates and Authorized End Users must stop using the CA Software if You have not obtained a new license.

Transfers outside of the Territory shall require prior written consent of CA and payment of additional fees.

Use Prohibitions. Except as expressly authorized by the agreement, You may not: (a) copy, reproduce, distribute or disclose the CA Software, provided that You may make a reasonable number of copies of the CA Software for bona fide “cold standby” disaster recovery, backup and archival purposes and may use such copy for reasonable testing and in the event of a bona fide disaster recovery event. Maintaining copies of the CA

Software in a “hot standby” environment or further or additional use of the CA Software for disaster recovery, backup or archival purposes shall be subject to payment by You of the applicable fees; (b) modify, unbundle, or create derivative works of the CA Software; (c) rent, sell, lease, assign, transfer or sublicense the CA Software or use the CA Software to provide hosting, service bureau, on demand or outsourcing services for the benefit of a third party; (d) remove any proprietary notices, labels, or marks on or in any copy of the CA Software or Documentation or any CA Software or materials in which the CA Software or Documentation or portions thereof are embedded; (e) use the CA Software in any manner that exceeds or is broader than the uses licensed to You from CA or an authorized CA reseller or distributor; or (f) reverse assemble, decompile, reverse engineer or otherwise translate the CA Software, except to the extent specifically permitted by applicable law without the possibility of contractual waiver. All rights not specifically granted hereunder are expressly reserved.

Authorized Use Limitation. The specific scope or number or type of licenses that You have purchased for the CA Software is set forth in the relevant Order Form. Your use of the CA Software must not exceed the specified Authorized Use Limitation. Prior to installation or use by You of the CA Software in excess of the Authorized Use Limitation, You agree to pay the CA entity through which You obtained the license for such incremental excess use.

General Terms.

Export Control. You agree that CA Software is subject to export controls of the United States of America and import controls of any other country in which the CA Software may be used. You agree to export, re-export or import CA Software only in compliance with such laws and controls.

Applicable Law Both You and CA consent to the application of the same laws as are applicable to the agreement through which You purchased the license of the CA Software to govern, interpret and enforce this Specific Program Document without regard to conflict of law principles. The United Nations Convention on Contracts for the International Sale of Goods will not apply to this SPD.

Limitation of Liability. CA’s liability shall, regardless of the reason for the liability, be unlimited in cases of death or bodily injury or injury of health caused by gross negligence or willful default of CA or the grossly negligent or willful default of CA’s legal representatives or persons whom CA occupies with the performance of its contractual obligations and in cases of product liability. In all other cases both You and CA recognize that the maximum foreseeable damage that You may suffer as a result of a breach of this Agreement by CA is equal to the amount of the fees You have actually paid for the CA Software and Maintenance giving rise to the claim, and therefore CA’s liability to You shall be limited to such amount.

Limited Warranty. CA warrants to You that: (a) it has the authority to grant You the rights and licenses mentioned herein and (b) for the period of 30 days after delivery of the CA Software and subject to the CA Software being used in an operating environment stated in the Documentation as supported by CA, the CA Software will materially conform to the specifications in the Documentation for such CA Software. If it is established that CA has breached the warranty in subsection (b) above, CA's only obligation and Your exclusive remedy shall be for CA to, at its option, (1) use reasonable efforts to cure the defect in the CA Software; (2) replace the CA Software with CA Software that materially conforms to the specifications in the Documentation; or (3) terminate the CA Software license and arrange a pro rata refund of the fees that You have paid. Any refund of fees paid in accordance with the warranty provisions herein will terminate the license of the affected CA Software.

This warranty and the remedies offered are applicable only if: (i) the reported error or defect is reasonably reproducible by CA; (ii) You report the alleged breach with reasonable specificity in writing within thirty (30) days from its occurrence; (iii) You provide CA with reasonable assistance in the diagnosis and remedy of the applicable breach; (iv) You have installed and are using all updates, patches and fixes made available by CA for the affected CA Software; (v) You have complied in all material respects with the terms and conditions of this SPD and have materially conformed to the Documentation for the affected CA Software; and (vi) the error or defect is due solely to an error or omission on the part of CA, its agents, affiliates or employees.

THESE WARRANTIES ARE YOUR EXCLUSIVE WARRANTIES AND REPLACE ALL OTHER WARRANTIES OR CONDITIONS, EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, THE IMPLIED WARRANTIES OF MERCHANTABILITY, NONINFRINGEMENT AND FITNESS FOR A PARTICULAR PURPOSE. CA DOES NOT WARRANT THAT THE CA SOFTWARE, MAINTENANCE OR CA SERVICES WILL MEET YOUR REQUIREMENTS OR THAT USE OF THE CA SOFTWARE OR CA SERVICES WILL BE UNINTERRUPTED OR ERROR-FREE. SOME STATES OR JURISDICTIONS DO NOT ALLOW THE EXCLUSION OF CERTAIN EXPRESS OR IMPLIED WARRANTIES, SO THE ABOVE EXCLUSION MAY NOT APPLY TO YOU. IF PERMITTED BY APPLICABLE LAW: (A) SUCH WARRANTIES ARE LIMITED IN DURATION TO THE WARRANTY PERIOD SPECIFIED FOR THE SUBJECT CA SOFTWARE, MAINTENANCE OR CA SERVICE; AND (B) THE REMEDY FOR BREACH OF ANY SUCH WARRANTIES IS LIMITED TO REPAIR OR REPLACEMENT OF ANY GOODS FOUND NOT TO COMPLY WITH THEM OR THE PROVISION OF SERVICES AGAIN. NO WARRANTIES OF ANY KIND APPLY AFTER THAT PERIOD. SOME STATES OR JURISDICTIONS DO NOT ALLOW SUCH LIMITATIONS SO TO THAT EXTENT THE FOREGOING LIMITATION MAY NOT APPLY TO YOU. If You claim under the present warranty section, You are not entitled or eligible to seek for the same warranty under any another warranty provision.

Ownership and Proprietary Information. Title to, ownership of, and all rights in the intellectual property, including but not limited to patents, copyrights, trademarks, and trade secrets in the CA Software and Documentation, any derivative works thereof, and any goodwill accruing from the use of such CA Software and Documentation, belong exclusively to and shall remain with CA and/or its licensors. You shall not make available or disclose such intellectual property to any third parties except as expressly permitted by this License SPD, and shall take appropriate action, including by instruction or agreement with Your employees who are permitted access to such information, to satisfy Your obligations hereunder.

Assignment. Customer may not assign the License SPD, the use of any CA Software or Customer's rights and obligations under the License SPD without the prior written consent of CA. The License SPD shall be binding on the parties and all of their respective successors and assigns. CA may assign the License SPD by written notice to Customer.

Termination. CA may terminate this License SPD as well as revoke the license hereby granted in the event of a breach by Customer and/or Customer's Authorized End Users of this License SPD.

Third Party Information and Terms

The following list identifies various third-party software components used with the CA Software that you are licensing. Third party notices required by the licensors of such components are set forth in the Third Party Notices and Terms document located <https://support.ca.com/prodinfo/tpterms>.
